Dreaming of Alma Mater
Down on the Eastern Shore
Dreaming of pals and friendships
Memories forevermore.
Deep in my heart there's a longing
Just for a sight of you;
I know you're always waiting,
I know you're always true.

Alma Mater, Alma Mater, I love you.
Paradise forever lies 'neath skies of blue.
In the sunshine or in shadow ever new,
Alma Mater, Alma Mater, I love you.

IN MEMORY OF DOROTHY PURCELL
1930-1946

Senior Class History

FRESHMEN

In September, 1943, two hundred ninety-two bewildered Freshmen entered Wicomico High School. As soon as we had assembled in the auditorium the following home rooms were assigned us: 15, 16, 18, 19, 20, 26, 30, and 32. With guidance we soon learned our way about. We became accustomed to the "hot-dog" line and "attention please!" Then we set out to make a name for ourselves. Of course, the Sophomores never let us forget that we were only Freshies, but we persevered. Our Freshman party promoted friendships, and made us feel more a part of our school. We did our best in the Red Cross drives, war bond and stamp sales, and Wi-Hi News subscriptions. Some of us found time to enjoy the activities of the Glee Club, intra-mural sports, and participating in assembly programs. When the May Day celebration came around we took a part too. At last the long awaited vacation came, and for three months we completely forgot school.

SOHPOMORES

After a splendid vacation, one hundred ninety-nine of us re-entered in the fall of 1944 as Sophomores. It didn't take us long to get our work lined up, at least, to our satisfaction. The class party in the gym was a success at least—again—from our standpoint. Again our sweet little voices could be heard trilling away in the Glee Club. The first Wi-Hi football team in three years was aided much in its victory march by several members of our class, as was the newly organized soccer team. We participated in basketball, the Variety Show, May Day, cheerleading, and were represented on the News Staff and in the Press Club, making up in enthusiasm what we lacked in ability.

JUNIORS

September found us trooping for the third time back to W. H. S. This time our ranks had thinned to one hundred seventy-eight. Besides the usual election of home room officers, this year came the nomination and election of the following class officers who were to lead the class successfully through the year: President, Bill Mitchell; Vice-President, David Grier; Secretary, Betty Brady; Treasurer, Shirley Stevenson; and Historian, Louie Hopkins. Five from the class received sweaters for "extraordinary bravery on the gridiron and the ability to charm the girls." The Soccer and Basketball teams were supported by our class. The Junior Class Play, "Tiger House," was such a success that it was booked for two performances. We produced one home room play and helped in the Christmas Play and the Footlight Review. These three years were well spent and fully enjoyed; indeed the proper background for our last year as reigning dignified (?) Seniors.

SENIORS

Back again in 1946 came 155 of our class, pleased to be seniors. Our homerooms assigned were 19, 20, 26, and 32. Class officers elected were: Bill Mitchell, President; Betty Brady, Vice-President; David Grier, Secretary; Bob Adkins, Treasurer; and Louie Hopkins, Historian. The Student Council

was headed by Joe Kane and the Wi-Hi News edited by Joan Wharton. Athletics were directed by Miss Trigiani and Mr. Berry, and we were proud of our Varsity and Junior Varsity teams. The successful seasons of field-ball and soccer were celebrated by a picnic and the football team had a dance. A new sports program was initiated to increase inter-homeroom competition. The Monogram Club, an athletic group, and the Key Club, an international service organization, were formed and plans are being laid for others. Mr. Eagler, the new music teacher, and Mr. Ronca, the new band instructor, provided us with splendid musical entertainment. Among the social activities sponsored by the Student Council was an informal Christmas dance, well attended and enjoyed. Plans for the Senior Play are in the making under the direction of Miss Helen Warren. May Day, the Junior-Senior Banquet, and the Senior Prom are being eagerly awaited.

And so we of the class of "47" approach our graduation date with the realization that our days at Wicomico High are almost over. As we leave we shall carry with us satisfying, lasting memories and deep appreciation of the efforts of those who gave us guidance.

Louie Hopkins, Historian.

Class Will

Ladies and Gentlemen, Bored of Education, Superintendent, Teachers, and Friends:

On behalf of my client, the class of 1947, of the Wicomico High School, of the city of Salisbury, of the county of Wicomico in the state of Maryland, U. S. Class Prophecy

Hear Ye! Hear Ye! And I will tell
The future of our seniors whom you know very well.

The crowd's still the same in old Fruitland
But they're growing in fame, so let's give them a hand.

"BULL" DONOWAY'S a preacher, or so I have heard,
But they say in spit of this he's still quite a bird.

CLAUDE WILLING and BOB ADKINS are still in the choir
They've formed a glee club that's always for hire.

JOHN BOUNDS and EVERETT DENSON had a race in a car
They went too fast and blew out a "tar".

HOWARD TRAVERS, who's always riding around,
Tried to get hooked up with DORIS BROWN;

But she caught sight of her childhood friend
And vowed she'd be faithful to the very end.

In Powellville CLARISSA is jumping with glee,
Cause she found a man that's taller than she.

DORIS KING and MARGARET HOLLAND, the Powellville pair,
Can be found in church Sundays, that is, if they're there.

And now the scene changes to the town of Salisbury
The favorite metropolis of Coach CHARLIE BERRY.

While BILL MITCHELL and BILL LORD, who were standing aside,
Saw the coming of trouble and decided to hide.

BOBBY FITHIAN kissed his girl one night, his conscience hurt him alack,
So he's going over there tonight, and give the blame thing back.

JEANNE JENNELLE and MARY BEIRLE are librarians in town
But they still have time to galavant around.

JEAN BREWINGTON walked by and GEORGE ALBERT did roar
He said, "Will you marry me?" JEAN said, "Why sure!"

DOLORES PURCELL and JACKIE TRUITT, both found their men,
Now neither one can be called an old hen.

GENE LOKEY and CHARLES SMITH, who are the best of pals,
Moved to Wilmington to marry their gals.

MARION EVANS was caught by Julia Lecates
But GEORGE STEWART and SHIRLEY DICKINSON are still having dates.

JANE BURBAGE and PATSY SHOCKLEY are at every football game:
They're cheering out their lungs, to bring old Wi-Hi fame.

JOHN MURRELL and DALE PERDUE are today
The richest millionaires in the whole U. S. A.

BETTE and JOYCE HOLLOWAY have been making hay
With the fellow in the "36" Chevrolet.

ANN LIVINGSTON, SHIRLEY LONGFELLOW, and ELAINE KRAUS,
Decided to be friends and live in the same house.

PAULINE SNAPP is now a preacher's wife,
She claims she'll love him the remainder of her life.

JACK WHITE, who was quite a heart breaker,
Has filled his life's desire, and is now an undertaker.

NETTIE GRIFFITH and PEGGY HARRINGTON have yet to part;
They were true friends from the very start.

BETTE HALL, with her fiery red hair,
Lives on the same street but CHARLOTTE HEARN isn't there.

BILL BREWINGTON and BOBBY HUMPHREYS were the best of pals
'Til DONALD WILLIAMS came by with three cute gals.

CLINTON CAMPBELL up in the poolroom makes plenty of money
Then goes out and spends it on his honey.

EMMA JEAN and WILLIE are still quite a pair,
But SALLY DENNIS and Bradford are still pulling hair.

The hero of Wi-Hi, DON MALONE,
Has made more touchdowns than ever was known.

NANCY BYRD and BETTE CORTEZ are right on the ball,
But PEGGY JEAN PARKER is leading them all.

Here comes our editor BETTIE SUE PAYNE,
The yearbook was issued and now she's insane.

BARBARA CAREY, who never keeps still,
Finally settled down with dear old Bill.

CALVIN HUMPHREYS, who is a very quiet boy,
Found going with ELEANOR BRADLEY a very great joy,

In physics REBECCA PARKER and NANCY DUST
Finally started studying cause they knew they must.

JACQUE LIVINGSTON has decided to settle down;
In Delmar, of course, that big, little town.

NELDA DAVIS studied, WANDA McCREADY taried,
DORIS DASHIELL played safe, and finally got married.

BOB COOPER made A's in bookkeeping
Now the profits of it he's reaping.

P. S. A tisket, a tasket,
HOWARD PHIPPS just made a basket.

JEAN ISACKSON found great joy alone
Because she knew she could write to Bob Malone.

PEGGY JONES is now singing on old Broadway;
If you want to see her, go there any day.

Here comes JIMMIE JOHNSON in his brand new car;
He traded in his old jalopy cause it wouldn't go very far.

By perfecting the use of his famous line,
FILLMORE is catching fish this time.

MARY LEE KELLEY just walked by,
She was singing a song as she winked her eye.

JANET WHITE, Well! no other,
Is now a wife and also a mother.

BILL MILLS, the pride of home room 20,
Is playing his trombone and making big money.

BILL DRISCOLL ran out of gas at quarter to nine,
It wasn't an excuse, it was real this time.

As in days of old, ERSEL JONES and JOHN PAYNE
Still stick up for Army but VIC KEEN says "Shame!"

DOROTHY WINBROW and PHYLLIS WILLEY filled their ambitions,
They married their bosses to keep their positions.

JOE MYERS, who graduated in the class of "47"
Is raising a lot of questions cause he went to heaven.

LOUIE HOPKINS has made himself well known;
In spite of this, he never has grown.

ELMER "FUDD" PARKER is farming with his wife;
He now has twelve children, now ain't that the life!

JANE BROWN and HOWARD HAYMAN are still the same as ever;
In spite of all their quarrels they insist on going together.

ALDA BAYSINGER makes herself well known
With her famous cackle, while the rest groan.

Who's that little redhead sitting all alone?
Why it's JOAN WHARTON, her boyfriends aren't home.

CAROLYN WIDDOWSON and BETTE BRADY, along with JOANNE PRICE,
Still take their Sunday walks in spite of snow and ice.

FRED CROCKETT and BRYAN DORMAN, the Quantico men,
Are up to their necks in mischief again.

GEORGE HOSTEMEYER, our man about town,
Is riding in a station wagon with girls all around.

RICHARD PARSONS finally spoke a word,
But because of the noise it couldn't be heard.

DAVID GRIER used to ride down streets in slumber,
But now he avoids those large piles of lumber.

IRVING TOWNSEND finally got out of school,
He learned studying his lesson was the best rule.

Here comes ANNE PILLLSBURY, running fast as she can,
She tried to catch the bus and instead caught a man.

BETTY SHIVERS and DORIS MERRIKEN are studying to beat the band,
Their brilliant minds are known throughout the entire land.

KESSEY LARMORE had a man—his name you ought to know,
And everywhere that Kessey went, that man was sure to go.

JOBY PHILLIPS is really quite a girl,
She skipped school one day and shot a squirrel.

PAULA and BRYAN PHILLIPS, the sister and brother,
Have broken up their home and each lives with another.

KELLEY WALLS and PAT FLANNERY are still beating their drums,
While BARBARA PAYNE and HENRIEKA wear out their gums.

There's ERMA YOUNG, no more toe dancing,
Erma just fainted and gave up prancing.

"FUZZY" PHILLIPS, candidate for President, has often said, quote,
"I'll make a good president, so give me one more vote."

HENRY BROWN at football games does plenty of rooting
But he's better qualified for trapping and shooting.

BILL TOWNSEND, a physics whiz,
Makes big money on a radio quiz.

DONALD TURNER, with his camera took a picture,
But it turned out to be quite a mixture.

GEORGE BROUGHTON, tall, dark, and handsome,
Among the girls would bring quite a ransom.

Anyone would think JOHN BLEDSOE a bum,
Cause he rides home by way of his thumb.

MARY ABBOTT and HAZEL COX, supposedly bookkeepers,
Turned out to be very late sleepers.

PEGGY MORRIS and MARILEA PARSONS, with their natural blond hair,
Are raising cain cause there's no peroxide there.

PRISCILLA COVINGTON and MARY McCANN were not so smart,
They both found men and lost their heart.

Our BETTY JONES is now a blushing bride,
She and Elwood walked down the aisle side by side.

BILL ALLEN was selling scooter bikes,
But now he's married, he met RUTH DYKES.

JANE PORTER, with her many beaus,
Finally found a special one and caught him by the nose.

BILL HADDOCK, who's really very bright,
Found a girl and finally saw the light.

PHYLLIS MARSHALL and PEGGY TOWNSEND, queens in their realm,
Now have two capable men at the helm.

OTIS BROWN still works at the A & P,
And he's the greatest manager you ever did see.

Here's MARY ELLEN NEAMAND and IRENE KREST,
They've been out walking and look their best.

MARIE COX and SHIRLEY HOBBS are still seen around
But they're so quiet, they hardly make a sound.

JEAN BANKS and JEAN TOWNSEND both moved away,
But each reminisces about the good old days.

HARRY FOSKEY, the pride of homeroom 19,
Went out ducking and fell in a stream.

DANNIE ULM and JACK WILLIAR, our Mutt and Jeff,
Have been sad since MARY EMILY and JEANNINE SCOTT left.

JULIUS MITSCHKE of the Junior Class play
Is a fortune teller now, or so they say.

PAT McALLISTER and MARIE LAYFIELD, both fair and square,
Have traveled the country from here to there.

VIVIAN RICHARDSON, who likes the color blue,
Finally found a sailor she thought would be true.

THELMA MOORE is now taking dictation,
Her fame as a stenographer has spread thru the nation.

JOHN LAWRENCE moved far, far away,
But we all know he'll come back some day.

JOYCE CANNON, who's a mischievous lassie,
Has now found a man both rich and classie.

DOLORES THOMPSON and ALLEEN PUSEY of room twenty-six
Are still quiet girls and up to no tricks.

ALEXINE REDDISH has moved from the town,
But RICHARD JOHNSON and PAUL BRITTINGHAM are still around.

SHIRLEY STEVENSON, because of her reserved manner,
Was very capable and almost won a banner.

DICK WALLACE'S name goes down in fame,
He finally played in a football game.

WALTER TALLEY has never got a wife,
He's decided to be a bachelor the rest of his life.

Now DORIS CROWLEY is right where she began;
Instead of spraining her ankle this time, it's her hand.

WILMA LOCKWOOD married a farmer's son,
And from morning to night her work is never done.

ELOISE HEATH has found her man,
She said, "I do," and gave him her hand.

DORIS DYKES is now pushing a baby carriage,
We warn you, this is the price of marriage.

JUANITA BENSON got tired of WOODY BONNETT,
She's got another fellow; he's handsome, I bet.

So ends our prophecy, we hope that it's true,
But whether it is or not depends upon you.

To the class of "47", to the class with plenty of pluck,
To all you boys and girls, we wish you loads of luck.

As you probably know, the Student Council's duties are to bring about or cause to be brought about the betterment or improvement of all activities immediately relative to the student body, and to give to the student body certain activities and assemblies throughout the school year. This year, as always, the Student Council has had charge of the monitor system, the social activities, and the assemblies. This year the council also took over the duties of improving conditions in the cafeteria, and of giving the monthly awards to individual home rooms. These awards are given each month to home rooms leading in certain competitive fields, such as; the sale of Wi-Hi News, the sale of tickets to the Junior and Senior class plays, the sale of activity tickets, and the number of Honor students.

These duties have been ably performed under the leadership of Joe Kane, president, Bill Mitchell, vice-president, Joan Stauch, 2nd vice-president, June Hosier, 3rd vice-president, and Janet White, secretary-treasurer. Miss Stewart, we will all agree, has done her job well as faculty adviser.

Bill Mitchell had charge of the monitor system, Joan Stauch, the assemblies, June Hosier, our social life, and Joe Kane, the council in general.

This year the "Wi-Hi News" reached its tenth year of publication. Begun in 1937 under the editorship of senior Audrey Stewart, present faculty member, the organization has undergone many changes. The latest revision of the constitution was made this year.

Different from many school newspapers in that it is printed in a downtown office and is run as a completely extra-curricular activity, and publication requires more time and work from the members of the staff.

Although election of editor-in-chief and associate editor is by popular vote of the high school classes, latest revision of the constitution provides that the remaining staff members be elected from a group nominated by junior and senior English teachers. Incidental staff members are chosen at the discretion of the editor-in-chief and faculty advisor.

The newest job of the "Wi-Hi News" is to sponsor a press club. As provided by a constitution approved by the student council and Mr. Cordrey, this press club is presided over by associate editor of the "Wi-Hi" News"

The Glee Club

The Glee Club this year is under the direction of Mr. Granville Eagler, who came to Wicomico High from Ohio. It elected as its officers: President—Kessie Larmore, Vice-President—Jane Burbage, and Secretary-Treasurer—Peggy Jones. There are about 75 girls in the Glee Club.

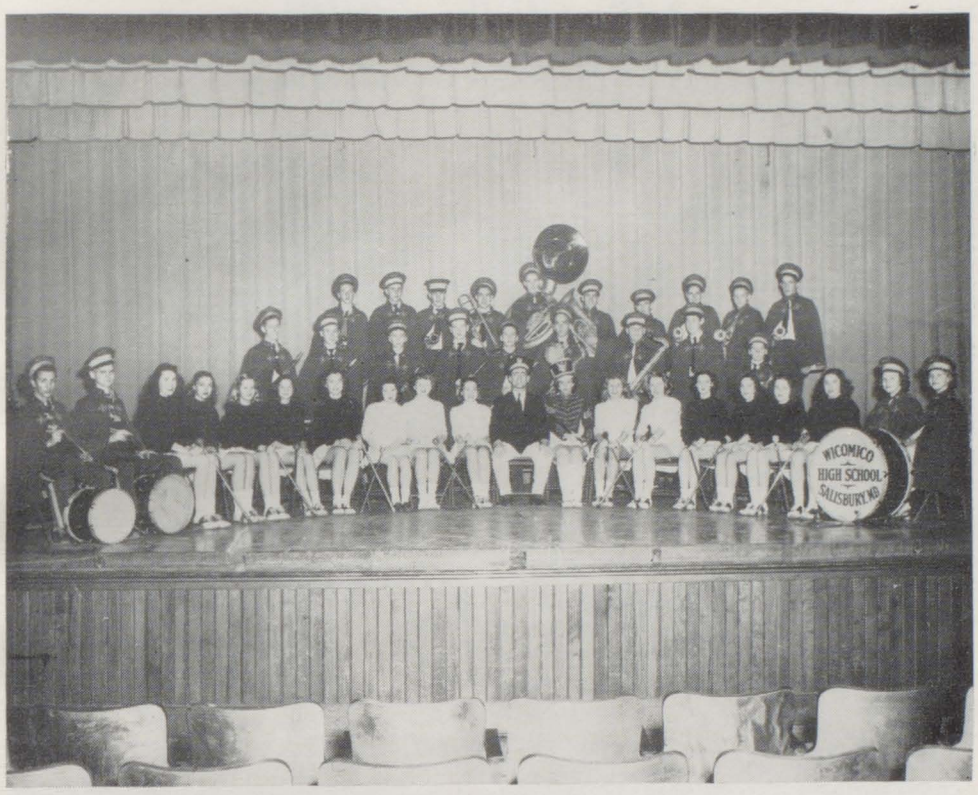
There are two new types or organizations connected with the Glee Club. One is the Girl's Ensemble, consisting of fifteen girls with the best voices in school. The other is the Choir, consisting of the girls in the Ensemble plus ten of the boys with the best voices. It is considered quite an honor to be in either one or both of these groups.

The Ensemble has put on several programs and sung many times for different organizations in Salisbury. Some of the outstanding ones were for the Women's Club, the Rotary Club, the Trinity Church Christmas program, the Christmas program at the Courthouse and in school, and WBOC broadcast, and the Eastern Sunrise Service. It has sung with the Glee Club and Choir in the school Christmas program, May Day, at Commencement, and in "The Spirit of '47." Each time they sang, they were praised for their wonderful work.

Mr. Eagler deserves a lot of credit, for under his supervision they have been able to accomplish all this. "The Spirit of '47", the musical production of the year, was written by Mr. Eagler. It had seven scenes, the first an Indian scene, the second in the days of George Washington, the third a mountain scene, the fourth includes cowboys, the fifth a Negro scene, the sixth a Modern American scene, and the seventh about musical immigrants. There were several solos and special dances in it. It was really a hit.

Yes, we of Wicomico High School are grateful and proud to have such an organization by which we can express ourselves in song.

The Wicomico High School Band



Top Row: T. Hawkins, W. Robertson, C. Willing, G. Brittingham, W. Gravenor, B. Mills, D. Hampshire, D. Ellott, W. Snapp, J. Brown; Middle Row: D. Vollmer, S. Krause, S. Haiemel, D. Parsons, R. Parker, A. Robins, N. L. Byrd, B. Cortez, N. Mills, B. Overton, T. Pickle, M. Snapp, J. Fields.

At the end of the school year 1946, Mr. "Mike" Ronca succeeded "Chief" Marston as Band Leader for Wicomico High. Throughout the summer, Mr. Ronca conducted weekly concerts at the park. These concerts were termed as highly successful.

One of the outstanding parades of '46 for the band was held at the Lion's Convention in July which took place in Philadelphia. As a reward for the band's good work, the Lion's Club hopes to sponsor a state-wide Band Contest in '47 with our band as host. Several first prizes were won by the band in competition with other bands in parades.

When the class of '47 graduates, it will take some of the band's best musicians. They are: Bill Mills, Willie Robertson, Pat Flannery, Kelley Walls and Dale Perdue. It also will take two of the school's best drum majorettes, Peggy Jean Parker, who has been drum majorette for three years, and Nancy Lee Byrd. To replace these musicians, Mr. Ronca has some forty beginners under his instruction.

The Junior Band

Top Row: S. Stewart, J. McAllister, J. Hastings, B. Gordy, B. Barlup, B. Bogage, M. McGee; Middle Row: L. Bridell, R. Morris, R. Wagner, W. Snapp, W. Bounds, L. Rademaker, D. Shockley, P. Lewis, J. Marshall, J. Bennett, G. McAllister, A. Mohler, L. Taylor; Seated: G. Parker, J. Fields, N. Rademaker, C. Green, H. C. Hearn, B. Abbott, C. Luffman, Mr. M. Ronca, J. Jenkins, J. Fields, R. Vollmer, R. Webster, W. Walls, L. Phillips, M. Snapp, R. Johnson.

The Junior Band, under the instruction of Mr. Ronca, is made up of boys and girls who have joined with no knowledge of band whatsoever. Its members will replace the Senior members when they graduate. In due course of time, they are taught to play the instrument which is best fitted for them, and are also exposed to the rudiments of band playing. After a rigid program has been pursued, they are then ready for the Senior Band—the ambition of every Junior Band member.

The Band's first public appearance was at the Annual Concert given by the Senior Band on March 14.

More than half the members of the band are girls. Since the girls play an equal part, the band will hereafter no longer have the name "Boys' Band."

Keep posted on this organization as they have big surprises for you in the future.

The purpose of this club is to give instruction to students of all classes who are interested in journalism.

Only those students who have written an article for the Wi-Hi News can become members of the Press Club. All staff members and home room reporters are automatically members.

The Associate Editor of the Wi-Hi News is President of the Club as stated in the new constitution.

Meetings are held Friday afternoon of every week in Room 13, and the attendance record of all members is very good.

There were about 40 members when we went to press.

The first Key Club in Maryland was organized this year at Wicomico High School. This club, a Kiwanis sponsored organization composed of high school youth, is designed to offer boys in the upper classes of the school a means whereby they may engage in comprehensive, practical self-training for adulthood. The activities of the Key Club are unlimited and may be expanded in proportion to the ingenuity and energy of its members. The motto of this service club is "We Build".

Officers elected for the club were as follows: President, Louie Hopkins; Vice-President, Robert Phillips; Secretary, Walter Phipps; Treasurer, Maurice Wimbrow. The Kiwanis adviser is Mr. Carlos Crawford and the Faculty Adviser, Mr. Feather. All members must be okayed by Mr. Cordrey and all projects have his approval. Regular weekly meetings take in committee reports and a short talk by some prominent citizen.

Already the Key Club has gained recognition through its P.T.A. membership drive which more than doubled the enrollment of that organization. Along with other projects it is planning to supervise all stage setting and handle the properties of the Wi-Hi stage.

JUNIOR CLASS PLAY

Junior Class History

Well, at last we were at high school! Two-hundred and ninety bewildered Freshmen so very happy to be in high school. The first morning we were told to report to the auditorium where we would be assigned homerooms. The rooms to which we were assigned were rooms 3, 5, 8, 12, 13, 24, and 30. Our spirits weren't as gay at the end of the week because we couldn't find our way around, and the upperclassmen called us "Freshies." However, we Freshmen were always anxious to try out any new activity. We joined the Glee Club, went out for sports, and took part in entertainments such as the "Variety Show." When Field Day and May Day came around, we were in them too. Yes sir, we sure did get off to a good start our first year at Wi-Hi.

The sophomore class came back to Wi-Hi next fall feeling a little bit older and thankful that we wouldn't be "Freshies" anymore at high school. There were two-hundred and thirty of us that year, and our homerooms were rooms 3, 5, 9, 30, 31, and 33. Because school seemed a little easier this year, we had more time for extra-curricular activities. Again we joined the Glee Club, went out for sports, and took part in the "Footlight Review."

Gosh, wasn't it nice to be a Junior? Were we going to have fun! And we did, but definitely! This year there were one-hundred and nine-three of us, and our homerooms were rooms 3, 5, 9, 27, 30 and 31. As we did in our first two years, we took part in everything, only more so. Some of us Juniors were on the Wi-Hi News Staff; others were Student Council officers, and we were all on all sorts of committees at one time or another. Being upperclassmen, we had class officers. They were: Joan Stauch, president; Walter Phipps, vice president; Mary McDonough, secretary; Douglas Parsons, treasurer; and Mary Earle Nock, historian. Quite a few Junior boys were on the football team and when it came to basketball, Junior boys and girls both were right out in front. We, as every Junior class, had a class play; it was called "Sixteen in August". And, as every Junior class, we went hrough the year, loving every minute of it, and looking forward to our Senior year.

Fieldball, which has not been played in Wicomico High since 1940, was played again this year. The season was not as successful as it might have been. Our new gym teacher, Miss Trigiani, arrived only a few days before the season began. The team had one practice before they met their first opponent. The high point of the season was when they won over Pittsville in a hard fought game.

For the third straight year the Wi-Hi basketball team saw a new skipper at the helm. Coach Charley Berry returned from the service to take over Wicomico High's athletic program and he guided the Indians to another successful basketball season. With an eighteen game schedule to play, the tribe came up with 12 wins and 6 defeats. They also dropped a post season game to Cambridge for the Class B Championship of the Eastern Shore by the heartbreaking score of 22-21.

The team won eleven of its first thirteen games. Then they seemed to go "stale" and lost four in succession, but managed to find themselves during the final two games. Although the squad lacked the heighth some opponents possessed, they made up this deficiency in drive, aggressiveness, and competitive spirit.

The team was enthusiastically supported by students, parents, and outsiders. Attendance was very good at every game, and fans were most generous in their praise. The whole team appreciated this support and loyalty, and were indebted to all who made the season a grand one.

Football

September 3, brought around school and the 1947 football season. With Coach Berry at the wheel and Coach Faw assisting, they were out for an undefeated year.

Our men worked hard to get ready for their first game with Seaford. It was a good game with the forward wall showing great prospects. With able handling of the ball by the backfield, on the offense, the Blue and Gold rolled up a 13 to 6 victory over the fighting Seaford team.

On Oct. 4, they set out to win over Laurel for the second victory. The Indians set their hard charging forward wall into motion. Using the single wing with an unbalanced line and the T formation. Our backfield rolled up eleven first downs to Laurel's 4 and won the game 19 to 0.

The following week we played Georgetown on our home grounds. With great handling of ball by our backfield, the Indians won 12 to 6 over the Georgetown men.

Next came Milford the tightest game of the season. W. H. S. was in good shape and ready for the game. This was a hard fought game with our forward wall turning in a great job and with the support of the backfield the Indians tied Milford 19 to 19. There were many injuries in our line and backfield and it looked as if we were to have tough sledding from here on.

On the following Monday Coaches Berry and Faw started reorganizing the team, getting them ready for our Dover game. On Oct. 25, despite poor weather conditions the Dover boys were off to a good start by getting a touchdown. Our Indians settled down but not enough, for Dover scored again. We started a drive and made our only touchdown, but with that we were stopped cold. Our injuries, and Dover, were too much for us and we were beaten 13 to 6.

In exactly a week we saw a little different story. The Blue and Gold traveled to Bridgeville and got things moving again by winning 18 to 6 against a hard fighting team.

On the 9th of Nov. W. H. S. played Northampton. They took the boys from Northampton 13 to 6 and showed in that game we still had a great forward wall as well as a great backfield. W. H. S. kept things going by taking Rehoboth 20 to 0 on Nov. 16. This game brought out again that our Indians were doing good blocking and kicking.

Thanksgiving Day, with a little better than a week to rest, we played

game. In he first half it looked as if there would be a decided victory for game. In the first half it look as if there would be a decided victory for the Indians. The score was 6 to 0 in their favor. Delmar came back in the second half to show our boys that they were far from beaten. Although they put up a game fight the power of the Blue and Gold out played them 18 to 13.

This was the final game of a great season; with 7 wins, 1 tie, and 1 defeat.
